Jim Andric

On Thursday, August 26, Jim Andric passed away and the St. Philip the Apostle community lost a beloved friend. Jim Andric, husband of our administrative assistant Kathy Andric, was a long-time member of our family. As a parent, his three children graduated from our school. In recent years he served as our "tech man" and kept our computer systems running. Every one of us was blessed by his presence. Our heart goes out to the Andric family and as a community of faith we stand with them in their time of need.

The service for Jim will be held at Cabot and Sons on Tuesday, August 31, at 7:00 PM with a reception to follow.
